

Planning Report

We have been consulted on three applications since the report to the last meeting. None of them raise issues requiring comment:

22 Village Road - LBC/19/00279

Internal repairs to water damage caused by burst pipe. This property is in the centre of the terrace of fine Listed villas on Village Road. There are no changes to any external features.

24 Arno Road - APP/19/00382

Single storey rear extension. The property is a modern bungalow and the extension will not be visible from the highway.

55A Christchurch Road - APP/19/00476

Change of use from vacant office to residential apartment on the second floor. The property is adjacent to Sterling Wines. No external alterations, including to windows, are proposed.
