

Tree Group comments on applications November and December 2019

3 East Bank CA/19/0295

Proposal: Fir tree. Reduce height of large oppressive tree by approx. 20 feet whilst maintaining pleasing shape. Aim to improve light to cottages and improve the view of them

Comment: We support this application.

Prenton Preparatory School T/19/0257

Proposal: Horse Chestnut rear of school - remove branches damaging neighbour's property
Laburnum - remove one of two stems as diseased

Comment: Chestnut not clearly visible from surrounding roads. No objection to removal of these branches. Laburnum is a small tree in front of the school. No objection as proposed works will have little overall impact on the treescape.
