

TREE GROUP REPORT MAY 2021

38 Poplar Road

Application - Fell beech tree, possibly diseased. Trim beech tree on boundary with neighbouring property

Comments - No objection to first application. No objection in principle to second but ownership needs to be established

5 Birch Road

Application – Fell eucalyptus tree

Comment - The Oxton Society would not object to the application.

31 Fairview Road

Application – Trim four sycamore trees to improve appearance and reduce shading of garden.

Comment - The Oxton Society would not oppose this application

1 Nun Close

Application - Fell three Leylandii.

Comments - These are three mature trees, and their removal would have a significant effect on the landscape. In view of their impact on the adjacent property we would not oppose the application. However, we would recommend their replacement with a more suitable tree species
