

Tree report , October 2002

CA/22/1606 7A Shrewsbury Road

Lime tree--work not specified

Oxton Society comments . After conversation with the owner the Society would not object to raising of the canopy and professional work such as pruning

CA/22/01394 35 Christchurch Road

--Ash tree affected with "Ash Dieback" --fell.

Oxto Society comment -As we are not experts we cannot comment on the condition of the tree .However, if the diagnosis is confirmed the Society would not object to the application

CA/22/01588 30 Fairview Road

-Hornbeam --trim

Oxton Society comment -The Society would not raise any objection to the application with the proviso that the work is carried out professionally.

T22/01529 Eldon House,Duncote Close.

- Work on a number of trees outlined in a comprehensive professional tree survey.

Oxto Society comment-The Society would not object to the application

CA/22/01218 16 Birch Road

Magnolia and Cherry trees--light pruning

Oxton Society comment .The Society has no objection to the application

T22/01174 26 Christchurch Road,Oxton

-Beech tree -reduce canopy

"Two other trees"- minor pruning

Oxton Society response -Beech tree .This is a large and mature tree which is a conspicuous feature of the treescape and whilst the Oxton Society would not object it would suggest that the work is undertaken professionally

"Two other trees"-there is insufficient information to make a meaningful comment.

CA/22/1086 34 Templemore Rod

-Remove two Birch trees.

Oxton Society comment-These are two mature trees and their removal would have a significant effect on the tree vista of the neighbourhood.

T/22/01076 2 South Hill Grove

Application--Cedar -Remove vertical growth and keep shape of tree

Oxton Society comment-The Society would not object to the application

T/22/01118 24 Village Road

-Beech Tree -raise crown and prune dead branches

Oxton Society comment---The society would not object to the application

CA/22/01367 "Yew tree cottage" 6 Arno Road.

Yew Tree-Good trim

Oxton Society comment . The Society would raise no objection to raising of the canopy and pruning carried out by a professional
